## The Alarm Clock App

Glance Clock - Alarm

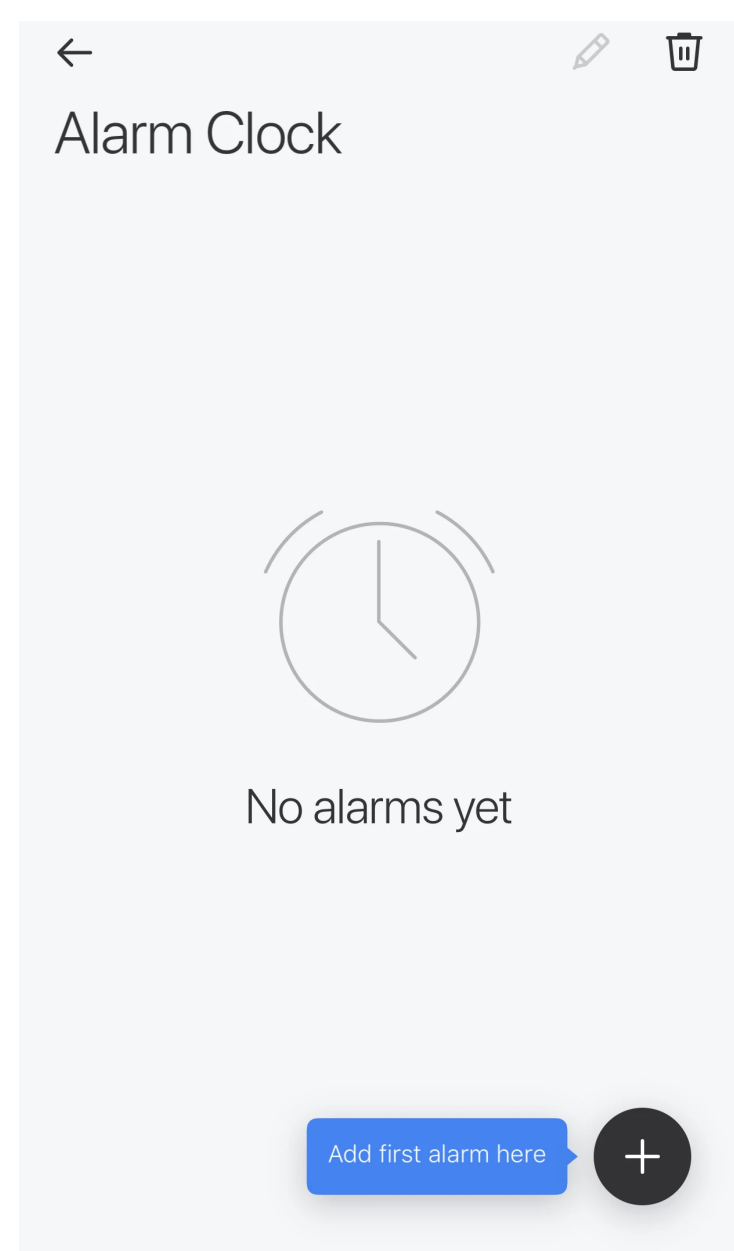

Watch later    Share

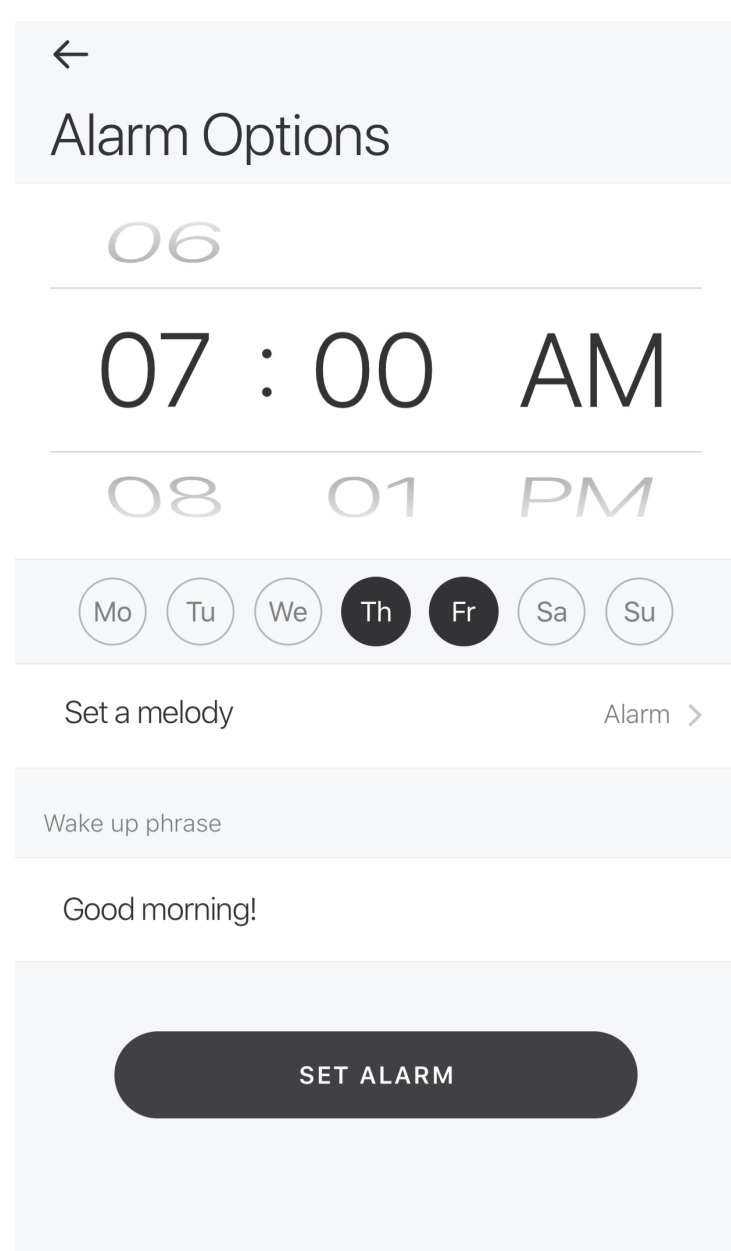

Alarm clock is a part of our everyday life. Glance clock can wake you up with a wake-up call. Enable the Alarm Clock app and add up to four alarms.

You can set Glance clock to repeat the alarm every week at selected days of the week. Choose different melody and set custom text message.

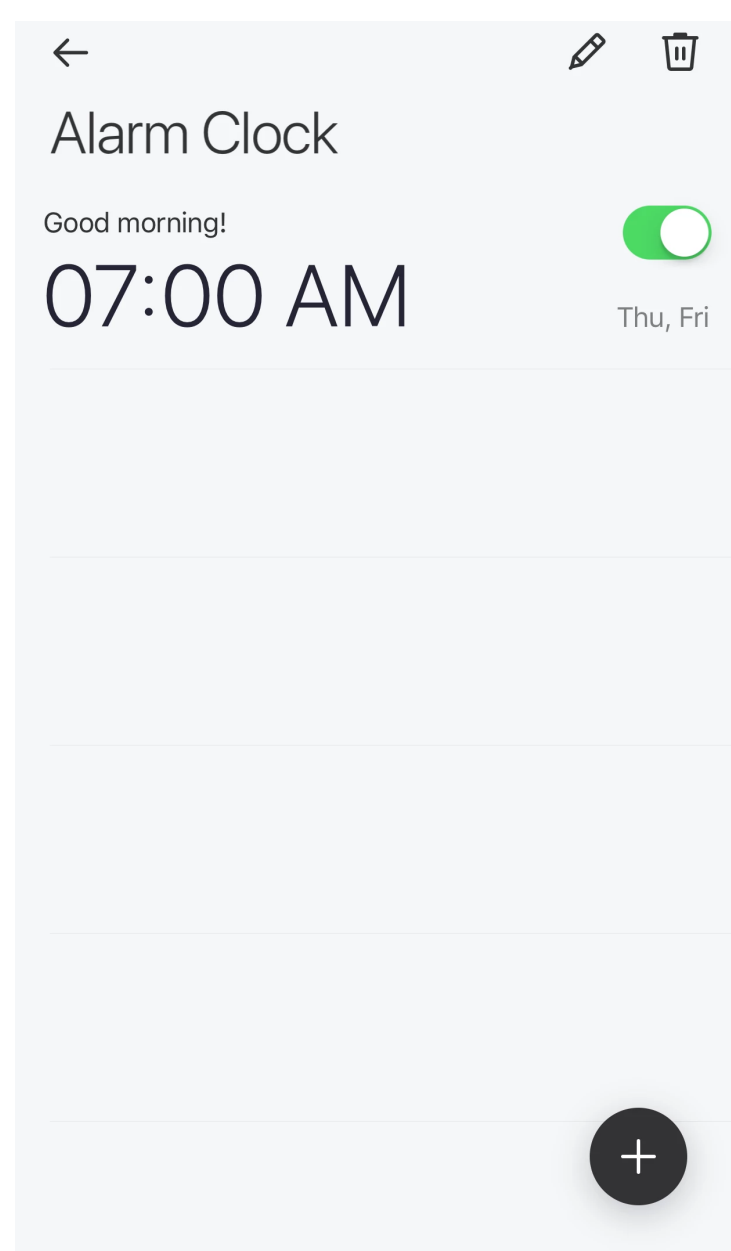

Once Glance clock is ringing, you will see a notification on a screen of your phone. Just swipe it to stop Glance clock ringing.

Tap "+" button to add alarm

Set the alarm clock settings

Manage up to four alarms
